Record Performances Punctuate Penultimate Week

While Azusa Pacific completed an undefeated conference season, it was a pair of individual record performances that stole the headlines on the second to last weekend of the GNAC football regular season.

The first records came in Ellensburg, where Central Washington wide receiver **Jesse Zalk** finished with 307 receiving yards in the Wildcats' 41-0 shutout of Simon Fraser. The yards surpasses the previous record set earlier in the season by Western Oregon's **Paul Revis**. In the process, Zalk also set a GNAC record with five receiving touchdowns, bettering the four accomplished by three other players, and tied a scoring record with five touchdowns for 30 points.

Even more amazing is that Zalk set the records on just 10 receptions, averaging 30.7 yards per catch. Of his five touchdown receptions, four were 44 yards or longer.

Later in the day, Humboldt State running back **Ja'Quan Gardner** added his name to the GNAC record book one more time by finishing with 375 all-purpose yards in the Lumberjacks' 28-14 win over Western State. Gardner carried the ball 43 times for 313 yards and two touchdowns and also had two kick returns for 58 yards. The effort surpassed the previous all-purpose yards record of 340 set by Azusa Pacific's Terrell Watson in 2014.

The Cougars, meanwhile, became the ninth GNAC team to finish the conference season undefeated with a 33-8 victory over Western Oregon, In the process, APU became the first GNAC team to finish with an 8-0 conference record since Central Washington in 2008.

Azusa Pacific will finish the regular season on the road at Colorado Mesa in a game they must win to keep their Division II playoff hopes alive.The NCAA Selection Show takes place on Sunday at 2 p.m. (Pacific).

Simon Fraser and Central Washington will host the league's other two matchups to close the regular season. The Clan will host Western Oregon while the Wildcats will host Humboldt State.

Super Region III & Earned Access

ABOUT SUPER REGION III

Teams in the GNAC compete as part of Division II's West Region III. The regional alignment includes 47 schools and is comprised of schools from the Great American Conference (13), the MIAA (12) and Northern Sun (16). A total of 28 teams will make the Division II playoffs in 2015, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth because there are only five football playing schools of the GNAC.
