MORE INSIDE INFORMATION

General Information: As ETSU head coach Steve Forbes enters his fourth season with the Buccaneers, the program has maintained and strengthened its position as one of the preeminent mid-majors in the country. ... In fact, Forbes has taken the Bucs to even higher levels of success, having totaled 76 victories and a .724 winning percentage during his first three seasons in Johnson City. ... At present, those numbers give Forbes the 14th highest win percentage among active NCAA Division I head coaches. ... The Buccaneers are coming off a 25-win campaign in 2017-18, including a 16-game winning streak, which tied a program record and stood as the longest win streak in the country at one point during that run. The Blue and Gold also tied a program record with 11 true road wins a year ago and marked their third straight 20-win season under Forbes, having won 24, 27 and 25 games over the last three seasons. ... In addition, the Bucs made their third straight appearance in the Southern Conference Tournament title game, and have won more games than any other SoCon program since Forbes was named head coach. ... As he has in his previous three seasons, Forbes and his staff will once again revamp their lineup this season with a mix of talent from the high school, junior college and D-I transfer ranks ... In fact, this season may present even a bigger challenge than in the past, as the Bucs have graduated their entire starting lineup as well as some of the team's top reserves ... The loss of SoCon Player of the Year **Desonta Bradford** (Humboldt, Tenn.) and SoCon All-Conference selection **Jalan McCloud** (Fort Worth, Texas) will be particularly tough, but the team will return talented youngsters such as reigning SoCon Freshman of the Year **Bo Hodges** (Nashville) and All-SoCon Freshman Team selection **Mladen Armus** (Belgrade, Serbia). ... Other returning players for the Bucs include forward **James Harrison Jr.** (Dallas, Texas), while sophomore D-I transfer **Patrick Good** (Johnson City) and junior college forward **Jerome Rodriguez** (Santiago, Dominican Republic) will make their long-awaited debuts this season. ... Good missed last season while sitting out after transferring from Appalachian State, while Rodriguez was sidelined with a shoulder injury ... The rest of the Bucs' squad is comprised of skilled high school and junior college transfers, including JuCo All-Americans such as **Isaiah Tisdale** (Lexington, Ky.) and **Kevon Tucker** (Dacula, Ga.), as well as talented transfers **Tray Boyd III** (Memphis), **D'Andre Bernard** (Toronto, Canada) and **Octavien Corley** (Reno, Nev.). ... From the high school ranks, freshmen **Daivien Williamson** (Winston-Salem, N.C.) and **Carlos Curtis** (Milwaukee) are also expected to be potential contributors. ... The Bucs will open their season on the road against Georgia State on Nov. 6, and will play three of their first four games of the year away from Freedom Hall. ... Trips to Creighton (No. 11) and Illinois (Dec. 15) highlight the schedule, along with participation in both the Cayman Island Classic (Nov. 19-20) and Sun Bowl Classic (Dec. 21-22) ... The team will initially open SoCon play with a game on Dec. 1 at Wofford, before beginning the heart of their league schedule with three straight home games starting Dec. 29 against rival Furman inside Freedom Hall. ... ETSU's other main home league games will include visits from rivals Chattanooga (Jan. 5), UNCG (Jan. 19), Wofford (Feb. 7) and Mercer (Feb. 16).

Projected Starters: With such a revamped roster, picking a starting lineup at this point is anyone's guess, but players such as Hodges and Armus did receive significant playing time a year ago. ... Otherwise, the rest of the squad is a wide open competition for floor time.

Anticipated Strengths: In Forbes' time at ETSU, the team has developed a reputation for tough, man-to-man defensive play and a free-flowing offense ... The same should be true this season, and despite all the new faces on the roster, those additions are exceptionally athletic and fit the same mold of previous recruiting classes under Forbes' direction.

Anticipated Weaknesses: With the loss of nearly 80 percent of its offensive output from last year, one big question will be filling those gaps from a play-making and scoring perspective. ... Meanwhile, a bigger question is whether the team will adopt the same defensive mentality as in years past?

All-Conference Candidates: The Bucs should have several players that will be considered for all-conference awards, including returning players such as Hodges and Armus ... The newcomers will also build their own all-conference resumes throughout the year.
