The Division II Administrative Committee met this afternoon to take action on regulations and policies impacted by COVID-19. The committee discussed recruiting and student-athlete reinstatement issues.

Among the updates, the committee clarified that **only current student-athletes and institutional staff members may be present for team meetings involving committed prospective student-athletes. Outside individuals, such as boosters and alumni, cannot be present for such meetings.** The committee also directed the membership to submit questions through RSRO for clarification on the application of the penalties involving student-athletes who were required to serve a drug testing penalty in spring 2020. Lastly, the committee noted questions related to the application of reinstatement withholding conditions should be directed to the reinstatement case manager for student-athletes who were required to serve a reinstatement withholding condition in spring 2020.
