(2) Student-athletes may receive any refunds given to the general student body, even if athletics aid paid the initial cost through an athletics aid agreement. Such a refund is an institutional decision. (3) If an institution does not provide refunds for the spring 2020 term and instead applies a credit to costs for the 2020-21 academic year, the credit will not count toward 2020-21 equivalencies.	4/1/20

How will the Eligibility Center approach schools that issue pass/fail grades for core courses completed in spring/summer 2020?	Credits earned in pass/fail core courses in spring/summer 2020 will apply toward the core-course requirement, but quality points (2.3) for passed core units will only be included for GPA purposes if the student's core GPA would increase with their inclusion. Nonchampionship segment cannot extend beyond the end of the playing season in the respective sport as outlined in Bylaw 17.	3/18/20

<b>Playing and Practice Seasons Questions</b>	<b>Outcome</b>	<b>Decision Date</b>
If institution is closed, is it considered a vacation period? In addition, what impact does this have on outside competition legislation in Bylaw 14 and 17 if spring sport season is cancelled?	Consider an institutional closure (e.g., no academic classes for the remainder of the term) to be an immediate vacation period and apply playing and practice seasons legislation accordingly.  If an institution has cancelled the season, the outside competition restrictions would not apply. Institutions and student-athletes are encouraged to follow applicable public health guidance regarding activities.	3/18/20
