Simon Fraser Moves Up To No. 2 In The Nation

Simon Fraser's convincing 5-1 victory over Concordia saw the Clan improve to No. 2 in the nation in the NSCAA Coaches Poll with a perfect overall record of 8-0-0.

That equals the team's best start to a season since 2011 when the team started 16-0-0. The Clan also started 2013 with a record of 8-0-0 before its first loss. The No. 2 ranking is the best in Simon Fraser history since being ranking No. 2 in 2014.

The Clan has two tough conference tests this week, traveling to Northwest Nazarene on Thursday and then to Montana State Billings on Saturday. If SFU wins both matches this week, it will tie the GNAC record for longest winning streak with 16 consecutive wins set by Seattle in 2005. Since then, Simon Fraser has twice tied the record (2010 and 2011) but no team has won the 17th.

While the rest of the GNAC has been inseparable, Simon Fraser has stayed above the fray, earning the maximum of nine points in three conference games. No other team has more than five points, since five of the nine conference matches in 2016 that didn't feature Simon Fraser resulted in ties after two overtime periods.

Because of the abundance of draws in the first two weeks of conference play, little separates second-place Montana State Billings from seventh-place Concordia, which was in second place just two weeks ago.

On Saturday, the only two unbeaten teams left in the conference will go head-to-head when Simon Fraser travels to Montana State Billings. The Yellowjackets are a perfect 4-0 at home this year, while Simon Fraser is 5-0 on the road.

Seattle Pacific dropped its conference opener to Simon Fraser and since then has tied each of its last three opponents. The Falcons will be the first that will wrap up the first half of conference, hosting Western Washington and Concordia.

Saint Martin's earned a tie with Montana State Billings last week after Northwest Nazarene needed a golden goal to beat the Saints. This week, Saint Martin's will play at Concordia on Thursday before taking Saturday off.

Western Washington was the only winner on Saturday and the Vikings will look to build on that win at Seattle Pacific and Northwest Nazarene this week.

@GNACSports

#28Shutouts Senior goalkeeper **Cody Lang** of Seattle Pacific recorded a shutout against Northwest Nazarene. It was his 28th career shutout, setting a new GNAC record. He also tied the GNAC record for shutouts in conference matches with 19. In the process, Lang became the 10th goalkeeper in GNAC history to reach 200 career saves.

#Two'sCompany Simon Fraser moved up to No. 2 in the latest NSCAA Coaches Poll following the Clan's 5-1 win over Concordia on Thursday.

#14GoingOn16 Simon Fraser currently has a 14-match winning streak, needing two more wins to tie the GNAC winning streak record of 16, which has been done three times, including twice by Simon Fraser already this decade.

#BonusSoccer Of the six matches last week, five went to overtime, four went to double-overtime, and three lasted the maximum of 110 minutes. In total this year, seven of the 12 conference matches played have gone to overtime, including seven of the last eight.

#It'sBetterToGive Simon Fraser's **Ryan Dhillon** has 19 career assists, including a conference-best of five this year. With his next assist he will crack the top 10 all-time in career assists.

GNAC Milestone Tracker

Cody Lang (SFU) - On Saturday, Lang broke the all-time GNAC record for career shutouts with his 28th career shutout in a 0-0 draw with Northwest Nazarene. The senior also tied the record for shutouts in conference matches equalling **Brandon Watson's** 19. In the tie with Northwest Nazarene, Lang had 10 saves to reach 202 career saves. He is the 10th player in GNAC history to reach the 200 mark in career saves.

Brandon Watson (SFU) - Watson recorded his 25th career shutout earlier this year, surpassing Zach Johnson of Seattle Pacific (2009-12) for third most shutouts in conference history. Watson is now just three shutouts away from the all-time conference record, but the player who holds the record is also in his senior season. On Thursday, Watson has a chance to become the first player in conference to reach 20 shutouts in conference matches.

Ricardo Palomino (MSUB) - The 2015 Newcomer of the Year had limited playing time early in the season, but is now the Yellowjackets' leading scorer. He now ranks 27th all-time in goals scored with 19. He also ranks 41st in total points scored with 43. He also has one game-winning goal this year, making him the 38th player in conference history to score six game-winners in their career.

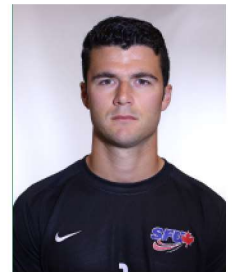

Ryan Dhillon (SFU) - Dhillon has assisted five goals this season, which is tied for most in the conference this year. Dhillon now has 19 career assists, needing just one more to crack the top 10 all-time in the GNAC for career assists. He also has 21 goals and 61 points in his career which rank 24th and 18th all-time in the GNAC respectively.

Ryan Foo (NNU) - Foo has recorded 54 saves already this season for 194 career saves. That is second among active goalkeepers and is 13th all-time in conference history. He also ranks 14th in saves per match this year in all of NCAA Division II. Foo needs six more saves to become the 11th goalkeeper in GNAC history to record 200 career saves.

Matt Paine (CU) - After missing the first two games, Paine has had a fantastic season, scoring a goal in every game he has played. He now has 10 career multi-point matches becoming the 10th player to have double-digit multi-point matches. He has 17 career goals and 43 career points, which rank 34th and 41st respectively, in the GNAC all-time leaders.

Simon Fraser - The Clan has opened the season with eight consecutive wins, scoring a total of 21 goals. The Clan has won all of its last 14 matches, scored a goal in all of its last 15 and scored multiple goals in each of the last 12 games. Simon Fraser needs two more victories to tie the conference record for longest winning streak. Following the win against Concordia, the Clan has a 14-match home unbeaten streak, which is three away from the conference record.
