## Championship Destinies In The Balance This Week

The matchups in week six of the GNAC football season will go a long ways in determining the road to the league championship.

Azusa Pacific is at Humboldt State on Saturday night in what is the league's marquee matchup of the week. The Lumberjacks are putting up video game-like numbers in their first four games, with the latest coming in a 59-10 rout at South Dakota Mines last week. Humboldt State rushed for 498 yards in the game, a GNAC record, and enter the week leading Division II in scoring with 54 points per game.

The Cougars, the two-time defending GNAC champions, find themselves in a must-win situation if they want to compete for their third title. Azusa Pacific watched Central Washington come back from a 21-7 deficit to lead 24-21 late and then saw them stop Kurt Scoby's desperation run one yard short on the final play of the game.

South Dakota Mines will play at Central Washington in another match-up of high-powered offenses. Despite their loss to Humboldt State, the

Hardrockers enter the game ranked second in the GNAC in scoring offense (33.2 points per game) and rushing offense (221.2 yards per game). The Wildcats, meanwhile, have won three straight after losing their first two games of the season. Before pulling out the close win over Azusa Pacific, CWU had scored 40 points in each of its previous two games.

Dixie State is at Simon Fraser in the third GNAC matchup of the day. The Red Storm will look to snap a three-game losing streak. After setting a school record of 400 yards rushing against Central Washington on Sept. 12, DSU has been limited to a total of three touchdowns. Simon Fraser is looking for their first win of the season and is coming off its bye week.

Western Oregon will face a tough test in the only non-conference game on the slate, hosting No. 6 North Alabama. It is the second game of a two-year home-and-home series between the two schools. The Wolves lost last year, 30-10, in Florence, Ala.

# Super Region III & Earned Access

## ABOUT SUPER REGION III

Teams in the GNAC compete as part of Division II's West Region III. The regional alignment includes 47 schools and is comprised of schools from the Great American Conference (13), the MIAA (12) and Northern Sun (16). A total of 28 teams will make the Division II playoffs in 2015, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

## EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth since only three of its seven football schools are full member of the conference. A total of six is required.
