Humboldt State Aiming To Clinch GNAC Title

Humboldt State will aim this week to claim at least a share of their first GNAC title in four years and strengthen their ranking in the NCAA regional rankings.

The Lumberjacks improved to 6-1 overall, 4-1 in GNAC play, with a 42-17 victory at Central Washington. With a win over Simon Fraser this Saturday, the Lumberjacks would clinch a share of the GNAC title.

In the first NCAA Division II regional rankings, Humboldt State emerged at No. 2 in Super Region 3. Only Northwest Missouri State, which enters the week at 8-0, is ranked higher. The Lumberjacks also climbed to No. 15 in the AFCA Division II Coaches Poll and to No. 17 in the D2Football.com Top-25 Poll.

Western Oregon will strive to keep pace after winning their fourth straight game, 37-26, at Simon

Fraser. After losing three of their first four games, the Wolves have won four straight and will play their final three games of the season at home.

The Wolves, however, will have to hold off one of the conference's most potent offenses if they want to stay in the championship puzzle. Azusa Pacific is ranked second in the GNAC in scoring offense, rushing offense and total offense. The Cougars won their second straight game with a 56-27 decision South Dakota Mines.

Dixie State is at South Dakota Mines in the other GNAC matchup of the weekend. The Hardrockers finished with 404 yards of total offense in their loss at Azusa Pacific and finished just short of their average of 32.6 points per game. Dixie State is coming off a bye week after they took a 61-14 loss to the Cougars on Oct. 17.

Super Region III & Earned Access

ABOUT SUPER REGION III

Teams in the GNAC compete as part of Division II's West Region III. The regional alignment includes 47 schools and is comprised of schools from the Great American Conference (13), the MIAA (12) and Northern Sun (16). A total of 28 teams will make the Division II playoffs in 2015, seven teams from each of the four super regions. A total of 172 Division II schools sponsor football.

EARNED ACCESS

"Earned Access" berths are awarded to conferences which have a team ranked in the top-eight in their region. A total of seven teams in each region qualify for the playoffs. The impact of earned access is that if a team is ranked eighth or ninth, but qualifies for an earned access berth, it would qualify for the playoffs and displace a team ranked above it in the top-six. The GNAC currently does not receive an earned access berth since only three of its seven football schools are full member of the conference. A total of six is required.
