

Emergency Plan: Lindsey Donnell Stadium (Soccer)

Emergency Personnel: Certified athletic trainer on site for practice and competition; Soccer Coaching Staff trained in CPR and AED techniques will initiate emergency procedures in the absence of an ATC; additional sports medicine staff accessible from athletic training facility (adjacent to soccer field).

Emergency Communication: Specific university personnel will be responsible for appropriate communication.

Emergency Equipment: supplies kept in athletic training bag; additional emergency equipment (splint bag and AED- located in main athletic training facility)

Roles of First Responders

1. Immediate care of the injured or ill student-athlete
2. Activation of emergency medical system (EMS)
 - a. 911 call (provide name, address, telephone number; number of individuals injured; condition of injured; first aid treatment; specific directions; other information as requested)
3. Emergency equipment retrieval
4. Direction of EMS to scene
 - a. Open appropriate gates
 - b. Designate individual to “flag down” EMS and direct to scene
 - c. Scene control: limit scene to first aid providers and move bystanders away from area

Venue Directions: Lindsey Donnell Stadium is located on South Tarver Street (Cross Street is West Spring Street). Entrance for ambulance to soccer field is located on South Tarver Street on the west end of the practice field through the designated gated entrance.
