Record-Breaking 634 student-athletes named to Spring 2021 Pioneer Football League Academic Honor Roll

ST. LOUIS, Mo. – For the second time in Pioneer Football League history, it named more than 600 student-athletes to its annual academic honor roll. The league recognized a record-breaking 634 student-athletes to the Spring 2021 PFL Academic Honor Roll.

A complete listing of all student-athletes named to the honor roll, listed alphabetically by member school, follows this release.

The 634 student-athletes recognized broke the previous record of 616 set during the Fall 2015 season. It also was the first time in league history the league's membership averaged more than 60 student-athletes recognized among the league's membership, with the 10 teams averaging 63.4 student-athletes recognized.

Five PFL members set individual records for student-athletes recognized: Drake University (78), Marist College (61), Morehead State University (59), the University of San Diego (58), and Stetson University (70). In addition, the University of Dayton led all league members with 81 student-athletes recognized, the third time in its history more than 80 student-athletes were recognized.

Pioneer Football League athletic director and coaches established the honor roll in 2001 as a way to recognize the league's outstanding student-athletes. To date the league has recognized more than 8,300 student-athletes on the PFL Academic Honor Roll.

The PFL Academic Honor Roll consists of student-athletes who participated in football at member institutions during the semester of competition and posted a 3.0 grade-point average or higher during the semester while enrolled full-time in accordance with NCAA rules.
