c – co-champions

# - Jacksonville vacated its 2010 co-championship as part of penalties for PFL rules violations.

**Notes on PFL Championship:** From 1993-2000 – and returning to the format in 2005 – the PFL was composed of one division and the championship was awarded to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.

**NOTES:** The PFL records on this page reflect PFL penalties imposed against Jacksonville (# - vacated the 2010-14 seasons) and San Diego (% - vacated the 2013 season). In accordance with NCAA policy, the wins and ties, but not the losses, of the penalized team are dropped from its PFL record only. The won-lost records for each of the opposing teams are not changed when games are vacated. In addition, the overall records for both teams were not changed.
