PFL GRIDIRON CLASSIC SCENARIOS

BUTLER: Will participate in the Gridiron Classic with victory against Drake.

DAYTON: Will participate in the Gridiron Classic with victory against Marist AND Drake victory at Butler.

DRAKE: Will participate in the Gridiron Classic with victory at Butler AND Marist victory at Dayton.

WEEK 12 PREVIEW

The regular season's final week arrives with three teams – Butler, Dayton and Drake – still in the hunt for a piece of the PFL championship and a berth in the fourth Gridiron Classic.

The final week's most pivotal contest has Drake visiting Butler with both teams holding PFL championship aspirations. Drake dropped its home finale to Dayton last week and was held to a season-low six points. Butler saw its unbeaten run come to an end with a loss at Jacksonville last week, scoring a season-low seven points. A Butler win gives it a share of its second PFL title and first since 1994. A Drake win gives it a share of its fifth PFL crown and first since 2004.

Dayton put itself back into the championship picture with a win last week but will need a home victory to grab a share of its 10th PFL title and first since 2007. Marist, the league's newest member, has won a school-record six straight and sits just behind the league-leading trio at 5-2. Dayton downed Drake on the road last week with an impressive defensive performance. Marist also won a road contest at Davidson, holding the Wildcats to two field goals.

Morehead State travels to Valparaiso in a meeting between two programs seeking their season's first PFL victory. Both teams were held to one score in losses last week. Morehead State scored a touchdown in its home loss to San Diego while Valparaiso was held to a field goal in a home loss to Campbell.

Campbell returns home to close out its season against Jacksonville. The Camels will look for a better result than last year's 52-0 loss to the Dolphins in Jacksonville. Both programs enter the week with Week 11 victories. Jacksonville's defense held league-leading Butler to seven points last week. Campbell surrendered just three points at Valparaiso, its first-ever PFL road win.

San Diego closes out its 2009 slate with a non-conference contest against Southern Utah which is coached by former USD assistant Ed Lamb. The Toreros are just 1-3 at Torero Stadium this season and will be playing its only non-conference home contest this season.

PFL WELL REPRESENTED ON ESPN THE MAGAZINE CoSIDA

ACADEMIC ALL-DISTRICT LIST: Twenty-Four Pioneer Football League student-athletes were selected to their respective ESPN The Magazine All-District squads as selected by the College Sports Information Directors of America (CoSIDA). Dayton and Marist each led the way with five first-team selections. Dayton had eight student-athletes receive either first or second team honors. A complete listing of those Pioneer Football League student-athletes receiving Academic All-District recognition are listed on page five. To be nominated, student-athletes must be a starter or important reserve, and carry a cumulative grade point average of 3.20 or higher. Team members are selected by a vote of members of the College Sports Information Directors of America (CoSIDA) within the district.

RUNDH ONE OF TEN FINALISTS FOR SPORTSMANSHIP

AWARD: Valparaiso's Adam Rundh has been named as one of the top-10 finalists for the fifth annual Sportsmanship Award handed out by the Awards and Recognition Association (ARA). The award is giving to one outstanding NCAA Division I collegiate football player who best personifies the spirit of sportsmanship. The 2009 Sportsmanship Award recipient will be chosen from one of these 10 finalists and announced this December. Rundh is one of only two finalists from NCAA Division I-FCS schools. To qualify for the award, an athlete must be a starting player or significant contributor on his

team; be an athlete in good academic standing; demonstrate great respect for competitors, school, teammates and coaches; show an ability to accept victory and defeat graciously; convey a high degree of humility and integrity; and demonstrate commitment in the classroom and to the community.

YOUTH MOVEMENT AT SIGNAL CALLER: A youth movement is afoot among the PFL's quarterback corps. Four teams – Butler, Drake, Jacksonville and Valparaiso – have regularly used a sophomore signal caller this season while Marist has seen its sophomore quarterback split time with a senior. Three sophomores – Butler's Andrew Huck, Jacksonville's Josh McGregor and Drake's Mike Piattowski – are ranked 1-2-3 among the league's passing yardage leaders. No. 4 on the list is Dayton senior quarterback Steve Valentino who is starting at quarterback for the first time in his collegiate career. In addition, San Diego has turned to redshirt freshman Sam Scudellari (No. 5 on the list) to take the snaps the rest of this season after senior Sebastian Trujillo left the team due to personal reasons.

PFL ALUMNI IN THE NFL: Two PFL alumni are seeing regular playing time as professionals. San Diego alumnus Josh Johnson is the starting quarterback for the Tampa Bay Buccaneers, getting the nod in Week 3 at Washington. Drake alumnus Billy Cundiff was picked up as a kicker by the Cleveland Browns and also made his first 2009 appearance during Week 3 at Baltimore, but was released by the team following Week 9 action. It is Johnson's second season in the NFL while Cundiff is in his sixth season.

WELCOME MARIST: For the second-straight season the Pioneer Football League welcomes a new member into its ranks. Marist College in Poughkeepsie, N.Y. becomes the league's 10th member. A former member of the Metro Atlantic Athletic Conference-Football League, the Red Foxes played 2008 as an independent, posting a 4-7 record, including a 1-1 record against PFL members. They followed the addition of Campbell, a first-year program, during the 2008 season.

Butler's Grant Hunter was named to Phil Steele College Football Preview's Preseason FCS All-American Second Team. He also ranked second among PFL tackles in tackles for loss (18). Hunter was the lone PFL player selected among the 56 players recognized on the first and second teams.

DAYTON SHUTOUT STREAK STILL GOING STRONG: Including Saturday's victory at Drake, the Flyers have not been shutout in 376 consecutive games, dating back to Oct. 16, 1976. During that streak Dayton has shutout its opponent 63 times. A list of the last shutout win and loss for each PFL squad is available on page 7.

SAN DIEGO PICKED TO WIN PFL: For the fourth consecutive season, the Pioneer Football League's coaches have tabbed San Diego as the preseason favorite in the PFL Preseason Coaches' Poll, receiving only five of 10 possible first-place votes. While San Diego was picked to win, the league's coaches also expect a competitive conference race as only six points separate the Toreros from Dayton and Jacksonville who were picked to finish tied for second. Dayton, a perennial favorite, picked up three first place votes and 71 points while 2008 PFL Champion Jacksonville received the other two first place votes and also finished with 71 points:

DIVISION I FCS, PLEASE: Although some people may accidentally still refer to it as I-AA football, the term that represents the level of Division I football in which the Pioneer Football League competes has been

retired. Beginning with the 2006 National Championship game, the term Football Championship Subdivision (or FCS) is to be used. FCS is the only Division I football rank to host a NCAA-sponsored national championship (one of 88 championships the NCAA sponsors). The division formerly known as I-A was changed to Football Bowl Subdivision (FBS) and those teams compete for the Bowl Championship Series (BCS) national championship. Teams who play at the FCS level can offer a maximum of 63 scholarships (FBS teams can offer 85) and compete in a 20-team playoff at the end of the season to determine the national champion.

Notes on PFL Championship: From 1993-2000 – and returning to the format in 2005 – the PFL was composed of one division and the championship went to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions - North (N) and South (S) - with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.
