**Notes on PFL Championship:** From 1993-2000 – and returning to the format in 2005 – the PFL was composed of one division and the championship went to the team with the best conference record. From 2001-2005, the league expanded and split into two divisions - North (N) and South (S) - with the divisional winners, who were the teams with the best record against divisional opponents, facing off in a championship game, the winner of that game was awarded the league's championship.

Notes: The PFL records on this page reflect San Diego's vacating the 2013 season, which it finished with a 7-1 PFL mark. In accordance with NCAA policy, the wins and ties, but not the losses, of the penalized team are dropped from its PFL record only and noted with a dagger (†). The won-lost records for each of the opposing teams are not changed when games are vacated.
