

Official & Unofficial Visits

Official Visits

An official visit is when an institution invites you to visit campus at their expense. These visits may not last more than 48 hours. You may not make more than one official visit to any one institution and may not make more than five official visits in total.

In sports other than men's basketball, a PSA may take a maximum of five expense-paid visits to Division I institutions before October 15 following his or her completion of high school and five beginning October 15 following his or her completion of high school, including visits related to a possible transfer.

In men's basketball a PSA may take a maximum of five expense-paid visits to Division I institutions from August 1 through July 31 of his junior year of high school, five additional visits from August 1 of his senior year of high school through October 14 following his completion of high school and five visits beginning October 15 following his completion of high school, including visits related to a possible transfer.

Information that PSA must provide before they can make an official visit:

- A high school or college academic transcript
- A PSAT, SAT or ACT score
- An NCAA Eligibility Center ID number

Unofficial Visits

An unofficial visit occurs when a PSA visits the institution at his or her own expense. A PSA may visit a member institution's campus at his or her own expense an unlimited number of times. A PSA may make unofficial visits before his or her senior year in high school.
